THF LIFENotes

11-2-25

1. Preparation:

How does the spiritual environment of the church in Antioch (worship, fasting, prayer) show us what a church should prioritize as it prepares to send followers into ministry or mission?

2. Process:

What does the Holy Spirit's direction in this passage teach us about discernment and decision-making within the church? How can our church better listen for and respond to the Spirit's leading?

3. Purpose:

Why is it significant that the church "set apart" Barnabas and Saul for the work God had already called them to? What does this reveal about the partnership between God's calling and the church's commissioning?

4. Partnership and Sending:

In what ways does sending others---whether local or globally---strengthen the sending church as well as those who are sent? How can our church cultivate a "sending culture" that supports and celebrates this calling?
